Collection of Sales Tax

All vendors who are registered at NEAF and who are selling tangible merchandise (and are not a NY State registered not-for-profit) are required to collect NY State sales tax from the purchaser at the time of the sale as per NY State tax law, regardless of the state in which their business is located. NY State sales tax is 8.875%.

Vendors shall be solely responsible to register and report the amount of sales tax owed based on their sales at the show. Refer to NY State Sales Tax Bulletin TB-ST-175 for additional information. For information on how to register your firm to collect state sales tax, see attached NY State Tax Bulletin TB-ST-360 starting on page 16.

Vendors may elect to include the cost of sales tax in the purchase price of their merchandise, however vendors are NOT allowed to advertise that they or their merchandise is “Tax Free”, as this is unlawful, misleading, and may result in fines and serious repercussions.

Failure to collect or report the amount of sales tax collected is considered fraud by the State of New York. Any vendor not abiding by NY State tax law may be subject to audit and substantial fines by the State.

Note: Vendors are required to keep their NY sales tax ID number or NY tax exempt number on hand during show operating hours.

Registration Deadline

February 10, 2016 is our deadline for accepting booth reservations from exhibitors. All reservations received by this date are guaranteed space at the show. Reservations received after this date will be accepted on a “space available” basis, and your company name may not appear in our promotional advertising. There is also a 10% late fee for registrations received after February 10th. Please refer to the EXHIBITOR RESERVATION FORM on page 7 of this packet.

Continued on next page.
Security
Professional security guards are employed around the clock commencing at 4:00 pm on Friday, April 8th. After 9:00 pm on Friday, all doors providing access to the exhibit area will be locked.

Overnight security is provided. Security guards will also be stationed at all entrances and exits during show hours on Saturday and Sunday. Roaming undercover security will also be in attendance during all show hours. However, please keep alert and notify security of any concerns. You are ultimately responsible for merchandise and valuables at your booth. RAC cannot take responsibility for lost or stolen goods.

Exhibitor personnel are advised to remain at their booths at 6:00 pm on Saturday, until Security guards have cleared the building of visitors. This should take no more than 10 – 15 minutes and will eliminate the chance of theft from your booth.

Insurance
The Rockland Astronomy Club requests copies of your General Liability and Workman’s Comp insurance. If you are a sole proprietor this does not apply.

Loading & Parking
ANY SPECIAL NEEDS PLEASE LET US KNOW, WE ARE HERE TO HELP!
The driveway on the east side of the building is “off limits”. You must use the parking area and entrance at the west side “rear” of the building. We will provide assistants to help you unload and move your merchandise.

PLEASE KEEP ALL FIRE LANES OPEN AT ALL TIMES.
VEHICLES WILL BE TOWED AWAY AT OWNER’S EXPENSE.

**Late Arrivals**

NEAF show hours are Saturday 8:30 am to 6 pm, and Sunday 10 am to 5 pm. You are expected to have your booth set up and operating for the 8:30 am Saturday opening. If you are not present for set up by 9 pm on Friday, your booth location may be forfeited. Our goal is to present a full and exciting showroom floor to our arriving guests – empty booths become problematic.

Of course, there are always emergencies and special circumstances. We urge you to contact Ed Siemenn the moment you suspect that you may be late so you can make special arrangements and avoid the disappointment of your booth location having been moved.

If you observe the Sabbath on Saturday, you will be expected to have a full display of catalogues, merchandise photos, signs and other items to fill your table in an appropriate manner during the business day on Saturday. This must be setup prior to your departure Friday evening. You must also arrive early on Sunday, prior to the 10 am opening to ready your table for sales before guests arrive.

**Early Departures**

No early departures or breakdowns prior to 5 pm on Sunday will be tolerated. Early breakdowns will risk forfeiting preferred booth locations for the following year and other penalties. If you have an emergency or handicap and must leave early, you must notify the Floor Manager as soon as possible for assistance and discrete exit procedures.

**Booth Placement**

While we will do everything we can meet your requests for booth placement, final layout will be at the discretion of Rockland Astronomy Club. Booth layout and map will be finalized in April, placement flexibility is based on overall booth demand.
NEAF SHIPPING OPTIONS

Truck to Field
House Direct

You may make arrangements for your own carrier or a trucking company to deliver your merchandise directly to the RCC Field House on Friday before the show between the hours of 8:30 am and 4:30 pm. We will have forklift service to unload your truck for you. This merchandise should be picked up in the same fashion by your shipper either on Sunday, between 5 pm and 8 pm or on Monday, between 8:30 am and 4:30 pm*. Forklift service will be available between these hours to load your truck for you. There is no additional charge for forklift service at the Field House during these hours. If you are unable to guarantee your deliveries and pickups within these time frames, you will need to ship to our warehouse for holding and delivery to the show and pick up after words.

*Rockland Astronomy Club assumes no responsibility for merchandise left at the Field House beyond the Monday 4:30 pm deadline. Our contracts conclude at this time and we no longer have control of the facilities. Forklift and security service will not be available after this time, and you may incur substantial moving charges from outside parties.

Truck to Warehouse

Shipping to our warehouse offers you the flexibility of not having to worry about your carrier making the Friday and Monday time deadlines. You may make arrangements for your trucking company to deliver your merchandise ahead of time to our warehouse facility up to a week prior to the show. Your pallets will be held until the Friday of the show, then loaded onto a truck and moved to the Field House and off-loaded and brought to your booth. The pallets will then be picked up Sunday after the show and delivered back to the warehouse to await your shipper's pickup for up to a week after the show. There is a $180 flat rate moving and storage fee per pallet of merchandise using this service. Please note, all deliveries and pickups from the warehouse must be made during normal business hours. Please have your trucking company call 12-hours in advance to assure forklift operators will be ready.

Overseas Shipment

We strongly urge you to ship your overseas merchandise to our warehouse since these types of deliveries are difficult to control time-wise. Using our warehouse service will give you a one week buffer before and after the show. There is a $180 flat rate moving and storage fee per pallet of merchandise using this service.
UPS, FEDEX, USPS, DHL, etc.

You may ship packages directly to our warehouse via these mail services, up to two weeks before the show. Your packages will be held until the Friday of the show, then loaded onto a truck and moved to the Field House, off loaded and brought to your booth. On Sunday after the show, all packages should be boxed and pre-labeled / pre-paid for return shipment. They will be picked up by our moving company and brought to the warehouse where we will call for pickup by your prepaid shipping service. The first 5 boxes for this service are free, each box thereafter is $10 each (round trip) or $180 for palletized goods.

Warehouse Information

Our warehouse is operated by a professional, fully insured, moving and storage company to assure you the best possible service and security for your merchandise. The warehouse is located in nearby Mahwah, NJ. If you intend to use this service, please email us at: NEAF@rocklandastronomy.com for the proper shipping address information.

How to Register for New York State Sales Tax

Introduction

If you will be making sales in New York State that are subject to sales tax, you must register with the Tax Department and obtain a Certificate of Authority. The Certificate of Authority gives you the right to collect tax on your taxable sales and to issue and accept most New York State sales tax exemption certificates. Generally, the seller collects the tax from the purchaser and remits it to New York State. If you expect to make taxable sales in New York State, you must register with the Tax Department at least 20 days before you begin business. New York State will then send you a Certificate of Authority which must be displayed at your place of business at all times. This bulletin explains:

• how to apply for a Certificate of Authority,
• the types of Certificates of Authority,
• when you need more than one Certificate of Authority, and
• the penalties for failure to register.

If you have any questions on whether or not you are required to register, see Tax Bulletin Do I Need to Register for Sales Tax? (TB-ST-175).

Applying for a Certificate of Authority

To apply for a Certificate of Authority use the NYS License Center.

Your application will be processed and, if approved, we'll mail your Certificate of Authority to you. You cannot legally make any taxable sales until you have received your Certificate of Authority.

Types of Certificates of Authority

The Tax Department issues two types of Certificate of Authority for sales tax purposes, regular and temporary. The type of Certificate of Authority you need is based on the expected duration of your business activities. The same form and application process are used for both types of certificates; however, the temporary certificate will be issued with a beginning and ending date.

Regular Certificate of Authority

You must apply for a regular Certificate of Authority if you will be making taxable sales from your home, a shop, a store, a cart, a stand, or any other facility from which you regularly conduct your business. It does not matter whether you own or rent the facility.

If you make sales at a show or entertainment event, such as a craft show, antique show, flea market, or sporting event, you must apply for a regular Certificate of Authority, even if your sales are only on an isolated or occasional basis. The department no longer issues the Certificate of Authority for Show and Entertainment Vendors that was previously issued for these vendors. See TSB-M-08(13)S, Changes Regarding the Issuance of Certificates of Authority to Show and Entertainment Vendors.
Temporary Certificate of Authority

If you expect to make taxable sales in New York State for no more than two consecutive sales tax quarters in any 12-month period, you may apply for a temporary Certificate of Authority. In determining whether you meet this requirement, keep in mind that the sales tax quarters are: March 1 through May 31, June 1 through August 31, September 1 through November 30, and December 1 through February 28 (February 29 in a leap year).

Show and entertainment vendors may not apply for a temporary Certificate of Authority; they must apply for a regular Certificate of Authority.

To request a temporary Certificate of Authority, you must indicate when you expect your business operation to begin and end. The temporary certificate will only authorize you to collect tax and conduct your business between those dates.

However, even if you are eligible to obtain a temporary Certificate of Authority, it may be to your benefit to apply for a regular Certificate of Authority. A regular certificate provides flexibility to continue your business without reapplying for a Certificate of Authority each time you begin business again. You may not apply for more than one temporary Certificate of Authority for any 12-month period.

For additional information on the types of Certificates of Authority, see Publication 750, A Guide to Sales Tax in New York State.

Multiple locations

You must have a Certificate of Authority for each business location. You can choose to file one sales tax return for combined sales at all locations or a separate return for each location.

If you plan to operate your business locations as separate business entities, you need to file an application for a separate Certificate of Authority for each location.

If you will have multiple locations, and you plan to operate them as one business, you can register all the locations using the NYS License Center. We will process your application and send you a Certificate of Authority for each location, all containing the same sales tax identification number.

If you are already a registered vendor and you are going to open an additional location, you can choose to combine your sales information and file a consolidated return. When adding a new location, you need to provide your current sales tax identification number along with the address of your additional location.

To register for an additional location, you can send a letter or Form DTF-17-ATT, Schedule of Business Locations for a Consolidated Filer, containing the information to:

NYS TAX DEPARTMENT
SALES TAX REGISTRATION UNIT
W A HARRIMAN CAMPUS
ALBANY, NEW YORK 12227

If you prefer, you can call us at the Sales Tax Information Center.

You must wait to receive your Certificate of Authority before you can begin business at the new location.
Duplicate Certificate of Authority

If you are already registered for sales tax with the Tax Department but need a duplicate copy of your Certificate of Authority because the original was misplaced or destroyed, you can call us at (518) 485-2889 or, for in-state callers without free long distance, at 1 800 698-2909.

New Certificate of Authority needed for transfer of ownership and organizational changes

A Certificate of Authority cannot be transferred or assigned. If you are buying an existing business, or taking over the ownership of a family business, you must apply for your own Certificate of Authority. You cannot use the Certificate of Authority that we issued to the previous owner.

You must also apply for a new Certificate of Authority if you are changing the organizational structure (legal form) of your business, such as switching from a sole proprietorship to a corporation. The new business must have its own Certificate of Authority before it begins business.

You must display your Certificate of Authority

You must prominently display your Certificate of Authority at your place of business, including additional locations. If you have no permanent physical location, you can attach it to your truck, cart, wagon, stand, or other vehicle or facility from which you conduct business. You may be subject to a $50 penalty if you fail to properly display your Certificate of Authority.

You must file sales tax returns

Once you receive your Certificate of Authority, you are considered to be in business for sales tax purposes even if you never make a sale or never open the doors of your establishment. Therefore, it is very important that you file your sales tax returns on time, even if you have no taxable sales. There are penalties for late filing even if you owe no tax. You can file your sales tax returns online using the Tax Department’s Online Services, located on our Web site. To learn more about the filing requirements, see Tax Bulletin Filing Requirements for Sales and Use Tax Returns (TB-ST-275).

Penalties for failing to register for sales tax

If you are required to register for sales tax purposes but fail to do so and you operate a business without a valid Certificate of Authority, you will be subject to a penalty. The maximum penalty for operating a business without a valid Certificate of Authority is $10,000, imposed at the rate of up to $500 for the first day business is conducted without a valid Certificate of Authority, plus up to $200 per day for each day after. For more information, see Tax Bulletin Sales and Use Tax Penalties (TB-ST-805).

Other business permits

Many types of businesses need permits and licenses from other state and local agencies in addition to a New York State Certificate of Authority. For example, a restaurant may need a liquor license issued by the State Liquor Authority to serve alcoholic beverages, while an automotive repair shop may need special permits from the Department of Environmental Conservation for the disposal of oil and other pollutants. The NYS License Center can assist you in determining if your particular type of business will need any additional licenses or permits.

In addition, your business will have additional responsibilities and obligations beyond the collection of sales tax. Publication 20, New York State Tax Guide for New Businesses,
provides information on New York State rules for corporation taxes, withholding taxes for employees, workers compensation benefits, and much more.

Note: A Tax Bulletin is an informational document designed to provide general guidance in simplified language on a topic of interest to taxpayers. It is accurate as of the date issued. However, taxpayers should be aware that subsequent changes in the Tax Law or its interpretation may affect the accuracy of a Tax Bulletin. The information provided in this document does not cover every situation and is not intended to replace the law or change its meaning.
